Mr. Bernie McMahon  
Staff Director, SSCI

Dear Bernie,

On behalf of Bob Gates and all the NIC crew,  
our profound gratitude for joining us at our  
Retreat yesterday. Your remarks were right-on,  
just the kind of thing that will be most helpful  
to us.

Thanks for your time, stimulation, and candor.  
And, all the best of fortune in meeting the goals  
you've set.
